

Dear Senior Parent,

Can you believe our Seniors will graduate in only four short months? The Senior Party Planning Committee has been working hard to plan a celebration for our students. **Our goal is to provide a safe and fun environment for our graduates to celebrate this important milestone together. Should we not be able to gather due to the pandemic, funds raised will be used to recognize and celebrate our Seniors in other meaningful ways.**

Celebrating our Seniors is reliant on the funds raised by a variety of class party fundraisers. We're off to a good start but, we still have a way to go! **Please consider supporting the Class of 2021 through any of these opportunities.**
