

MINNETONKA HIGH SCHOOL

MHS e-Learning Meeting Times

Students are expected to work on assignments on a daily basis for all classes. Students are expected to log into Schoology for their first class by 8:30 a.m.

There will be an A and B day. Each day is 3 periods and will have a formal time to connect. During the first 40-50 minutes of each class, teachers lead instruction, including: discussion boards, video instruction through Schoology Conferences or Google Meet (Hangout), and/or online activities (like Kahoot, PearDeck, Quizzes). The last 40-50 minutes will be independent work where the teacher will be available for feedback, questions, and individual support.

Attendance will be taken for each class during the day.

Students should check their school gmail for daily messages and messages from Principal Erickson. Our plan is to still have a version of the "Morning Show" posted to Schoology everyday at noon. Students can get Tech Support from the Port during the School Day via Google Meet.

Counselors Support is available by appointment from 8a.m.-3p.m.
