

41 Teacher Grants = \$58,367

Annual grants for creative, innovative, educational ideas in the classroom

Native Aquatics Connection

Social Emotional Learning

"Students can practice their skills and know that it is okay to make mistakes, try again, apologize, forgive, and keep growing together."

"There's such a mystery about what's really going on in the lake... The aquatics tank gives students a window into that world."

Robotics & Innovative Projects = \$60,148

The Endowment Fund is a \$1.5 million investment fund supporting long-term, broad impact programming.

Interactive Touchscreen

"These 4 interactive touchscreens will benefit Minnetonka and showcase arts, athletics, activities and excellence throughout our district."

STEM Lego Robotics

"Our amazing teachers make class so fun. With girls being such a minority in science, we were so grateful to have role model teachers that encourage and nurtured our students."
